**PRESS RELEASES**

**KAFU EXPO is opening its gate to international exhibitors...**

International Flower, Landscape, Municipality and Urban Exhibition is going to be held between **10th-12th September 2015** at **Korme Exhibition Center** which is the most important trade center in Astana, Kazakhstan.

**This Great Trade Event Organized by Elan Expo**

Kafu Expo is organized by ElanExpo. Kafu Expo provides many business opportunities to related sector companies, and also it has become the most powerful and communication platform for all flower, landscape and urban sector. As a oil rich country Kazakhstan is the fastest growing industrial and hightech economy in Central Asia. It has great opportunities for exporters to open all continents. Kafu Expo will be the first step for entering to Central Asian Market to exhibit lots of products and services for flower, landscape and urban industry. It is supported with the powerful promotion activities which are billboard and roll-up works, tv and radio commercials, VIP invitations sent to the relevant ministry and organizations and B2B activities to match companies with the potential buyers to ensure maximum efficiency.

**Exclusive Companies from Around the World**

This important event brings together leading companies in the sector from Europe and all around the world. In Kafu Expo, **plants, flowers, decoration materials, overlay elements, municipal utilities, municipal necessities, system, services, equipments**, and many products will be exhibited. Kafu Expo will host exclusive exhibitors, many visitors from different countries, officials from administrative authorities, sector professionals, elite businessmen.

**Business Match-Making System**

Business Match-Making is a free & privileged service at Kafu Expo for organizing business meetings between companies and buyers to achieve mutually beneficial results. Together with the benefits of match-making, participants are able to discuss ways to increase cooperation amongst different markets and how to increase the business volume.

**If you want to be a part of this lucrative project, you can visit Kafu Expo between 09:00 and 18:00 o'clock on September 10-12.**
